Encompass Health Rehabilitation Hospital of Alexandria to undergo \$5M hospital refresh project

ALEXANDRIA, La., May 30, 2019 - Encompass Health Rehabilitation Hospital of Alexandria, formerly known as HealthSouth Rehabilitation Hospital of Alexandria, will soon be undergoing an approximate \$5M refresh. The hospital has been providing rehabilitative services in the community since 1992.

The project is expected to begin in June and will include new nurse stations, therapy gym updates, a 2-chair dialysis suite, a new reception area and cafeteria updates. It is expected to be completed this November.

“We are excited about making updates to our hospital to provide our patients with a more comfortable environment to be in during one of the most challenging times of their lives,” said Dave Goodson, CEO of Encompass Health Alexandria. “Our employees and guests will also get to take advantage of the benefits as well. This is one thing we can do to make our great care even better.”

Encompass Health Alexandria is a 47-bed inpatient rehabilitation hospital that provides a higher level of rehabilitative care to patients who are recovering from stroke and other neurological disorders, brain and spinal cord injury, amputations, orthopedic, cardiac and pulmonary conditions. Accredited by The Joint Commission, the hospital also holds disease-specific care certifications for its stroke, amputee, Parkinson’s disease and hip fracture rehabilitation programs.
